RULES AND REGULATIONS

Leroy's account wagering is the sports account wagering entity for Leroy's Race and Sports Book ("Leroy's").

All House Rules and Regulations posted in a Leroy's Race and Sports Book are applicable to account wagering.

Leroy's reserves the right to add, change, or delete the following Rules and Regulations at any time.

OPENING AN ACCOUNT

Leroy's may open a wagering account for residents of Nevada.

All account applicants must be at least 21 years of age.

To open an account a Customer must complete a wagering account application, submit a clear copy of a valid driver's license, government ID, or check cashing card with picture, and attest to statements required under the Nevada Gaming Commission Regulations. A wagering account application is available on Leroy's web site and at select Leroy's locations.

Prior to opening an account, a Customer will be provided with a copy of Leroy's rules and procedures for account wagering. It is the Customer's responsibility to be aware of all wagering rules, including subsequent changes.

Upon opening an account, Leroy's will provide each Customer with an account number and secure personal identification reasonably designed to prevent the acceptance of wagers from persons other than the Customer for whom the wagering account was established.

A Leroy's account is for the personal use of the registered account holder and is not transferable. Leroy's reserves the right to void any wager if there is reason to believe that someone other than the registered account holder placed a wager using funds from a Leroy's account.

It is the Customer's responsibility to maintain the secrecy of his/her account number and personal identification. If the Customer feels that his/her account number and/or personal identification have been compromised, he/she should immediately contact Leroy's Offices at 702-735-0101.

Leroy's reserves the right to refuse establishment or maintenance of accounts for what it deems good and sufficient reason.

DEPOSITING FUNDS

Wagering account deposits must be made in person at select Leroy's locations

The minimum deposit for opening an account is \$50.

No interest shall accrue on funds deposited in a Customer's account.

Funds may not be deposited into a suspended or closed account.

Leroy's reserves the right to refuse deposits to accounts for what it deems good and sufficient reason.

WITHDRAWING FUNDS

Account holder may withdraw funds from an active account at any time up to the amount of the account balance.

The minimum withdrawal amount is \$25, which is waived when closing an account.

Withdrawal request must be made at select Leroy's locations.

WAGERING

Account wagers will be accepted only during specified book hours and will be accepted only on Leroy's designated account wagering devices.

Account holders should not make wagers from their account while residing or located outside of Nevada. Placing a wager while outside Nevada may result in the criminal prosecution of the account holder.

When placing a wager, the account holder must provide his/her account number and secure personal identification for verification purposes.

All wagers must be verified to the account holder at the time the wager is placed for confirmation by the account holder to constitute action and will be final and binding. If an event is locked out during a transaction, there will be no wager. Wagers cannot be cancelled after the wager is completed.

Total wagers may not exceed the balance in a wagering account.

Leroy's determines the minimum and maximum wager on all events. The minimum total wager per transaction is \$2.

All wagers are subject to the rules and regulations of Leroy's Horse and Sports Place.

Check the web site or check the device for the latest odds. All odds are subject to change.

Leroy's reserves the right to refuse any wager or delete or limit any selection(s) prior to the acceptance of the wagers.

All wagers must be at full face value.

Payments on winning account wagers shall be posted to the account holder's wagering account as soon as reasonably practicable after the event is declared official.

Winnings are taxed in accordance with IRS requirements. Any single wager paying 300 times the amount wagered and at least \$600 is taxable income. A W2G will be mailed to the account holder the day after the wager is deemed a winner. If any winnings minus the amount wagered exceed \$5,000, federal taxes are withheld and the balance deposited to the account holder's account. Leroy's will report all W2G information to the IRS, as required.

Leroy's reserves the right to declare the account wagering system closed for receiving any or all wagers.

Wagers may not be accepted on a suspended account.

ACCOUNT MANAGEMENT

An account holder may request a statement of account showing all account activity during the time period reported by the account statement. Disputes shall be resolved as set forth in Nevada Revised Statutes 463.361-463.366 and Nevada Gaming Commission (NGC) Regulation 7A.

Leroy's reserves the right to suspend or close any account at any time..

Leroy's shall keep confidential, except from the account holder, the Nevada Gaming Control Board ("the Board"), or as otherwise required by federal or state law: the account holder's current balance or wagering account activity details, the account number and secure personal identification of the account holder, and, unless authorized by the account holder, the name, address, and other information in the possession of the book that would identify the account holder to anyone other than the Board or book.

DISPUTES

In the event of a dispute, the account holder should contact a Leroy's Customer Service Supervisor at 1-702-735-0101.

The Supervisor will obtain all information regarding the dispute.

The Supervisor will inform the account holder of the name of the Leroy's representative that will be handling the dispute resolution and provide an approximate time that the account holder will be contacted.

Account holders of Leroy's have certain rights under Nevada Law relevant to certain disputes. If the dispute is regarding:

1. Any winning that you believe that you are entitled;
2. Any losses that you believe are unsubstantiated or to which you dispute for any reason; or
3. Any dispute as to the manner in which the game is played,

then the account holder may request that the State Gaming Control Board conduct an investigation regarding the dispute. The Leroy's Customer Service Supervisor can provide the appropriate address and telephone number for the Nevada Gaming Control Board.

Disputes arising as a result of wagers accepted by Leroy's shall be resolved as set forth in Nevada Revised Statutes 463.361- 463.366 and Nevada Gaming Commission Regulation 7A.
